“Only the best will do.”

Andrew Blundell Associate

SPECIALIST SKILLS

Andrew's experience working at a public practising chartered accounting firm prior to joining Jirsch Sutherland has provided him with an excellent grounding in tax, audit and company accounts management. He has sound working knowledge of the various insolvency regimes as well as excellent business planning and marketing skills and is determined to help achieve positive solutions for people in financial distress.

Industry specific skills include

Dispute mediation and resolution
Corporate turn around planning
Negotiations involving the sale of assets
Director's responsibilities
ROT Resolution
Creditor and Shareholder rights

PROFESSIONAL QUALIFICATIONS

Bachelor of Commerce (Marketing and Accounting)
Advanced Insolvency Program (Insolvency Practitioners Association of Australia)

MEMBERSHIPS & ASSOCIATIONS

Member of the Insolvency Practitioners Association of Australia
Member of a number of professional taxation discussion groups

CAREER & INDUSTRY HIGHLIGHTS

Andrew was employed full time by a mid sized accounting practice in the Sydney CBD between 2001 and 2003. Between 2004 and 2006, he travelled the world gaining further experience in the areas of event management, retail sales, construction and hospitality.

In 2006, he began commissioning the export of a number of Australian products to the United States and Canada, an activity he continued to pursue and grow before joining Jirsch Sutherland in April 2006.

He finished in equal 2nd place for Unit one of the Advanced Insolvency Program and has recently been accepted as an Associate member of the Insolvency Practitioners Association of Australia.

He has been heavily involved in a number of Administrations whilst he has been with Jirsch Sutherland, one in particular where he assisted in the resolution of a complex retention of title claim between a large multi national company and its Australian supplier.
