“Small to medium sized business and entrepreneurial spirit are the backbone of the Australian business environment; it is my goal to assist the survival of these factors wherever possible.”

Bradd Morelli *Partner*

SPECIALIST SKILLS

Bradd pulls out all the stops to make difficult financial situations as painless as possible for clients and ensure that every positive is unearthed. His meticulous approach and constructive, down-to-earth outlook are particularly welcomed by those who are at a delicate financial crossroads.

Specialist skills include:

Reconstruction and turnaround management
Corporate insolvency
Major asset realisations
Dispute resolution and informal mediation
Crisis management
Problem debt and loan review

PROFESSIONAL QUALIFICATIONS

Master of Business Administration
Bachelor of Commerce
Registered Liquidator
Official Liquidator, Supreme Court

MEMBERSHIPS & ASSOCIATIONS

Member of the Australian Society of Certified Practising Accountants
Member of the Insolvency Practitioners Association of Australia
Member of the Australian Institute of Company Directors
Member of the National Institute of Accountants
Associate Member of Chartered Secretaries Australia

CAREER & INDUSTRY HIGHLIGHTS

With over ten years experience in the corporate insolvency and reconstruction field and work spanning most industry sectors and business types, Bradd is well versed in all formal corporate appointments. He has traded many distressed companies and has achieved a large number of successful restructures.

Bradd has also had substantial commercial experience, including owning and operating a number of city and regional hotels.

PERSONAL INTERESTS

Outside of work, Bradd is a keen member of the Australian Jockey Club. He is also a competitive spear fisherman and a committee member of the Oceanic Art Society. Originally from Newcastle and with family at the Central Coast, Bradd enjoys escaping North whenever the opportunity arises.
