“I have an empathetic approach when dealing with all parties involved in an insolvency appointment and am at all times aware of the issues which affect all stakeholders.”

#### **Otim Oluk** *Manager*

##### **SPECIALIST SKILLS**

Otim gained his insolvency experience in the United Kingdom and has resided in Australia for over six years. He has been with Jirsch Sutherland for approximately four years. During this time, he has gained and applied a sound working knowledge of the corporate and individual insolvency regimes which is passed on to his team.

In conjunction with his team, it is Otim’s job to identify complex issues and work with stakeholders to achieve a realistic solution.

##### *Specialist skills include:*

The trading on of businesses;  
Conflict resolution; and  
Asset recoveries for creditors through the recovery of voidable transactions.

##### **PROFESSIONAL QUALIFICATIONS**

Advanced Insolvency Law & Practice, I and II

##### **MEMBERSHIPS & ASSOCIATIONS**

Member of the Insolvency Practitioners Association of Australia

##### **CAREER & INDUSTRY HIGHLIGHTS**

Otim’s highlights at Jirsch Sutherland include being the case manager in respect of:  
An oil distribution business based in South Australia – still trading after a successful restructure.  
A national transportation & freight business - still trading after a successful restructure.  
A group of finance companies based in the CBD of Sydney – ceased trading after consultation with creditors.

##### **PERSONAL INTERESTS**

Spending time with his family and soccer.
